

Introducing the All New “MobileRange”

Extend the golf season with this new and exciting all weather facility. The MobileRange can be permanent or temporary providing protection to the golfer in cold or wet weather. Manufactured at NRB’s plant. Upon delivery to client’s site, MobileRange is ready for use the same day!

No need to moth ball the golf clubs!

The unique rolling shutter system allows complete and instant security for equipment which can be locked up and ready for use the next day.

Available to Rent, Lease or Purchase

High quality interior finishing and lighting provides ample space for each golfer and allows for evening and off season use.

The roller shutter doors are easily closed to secure the unit and any contents.

Providing a safe, flexible and comfortable environment for up to 3 golfers per unit.

Easily installed on any surface, the legs are adjustable and the feet rest on a small slab providing adequate ground clearance to protect any grass, ventilation and offering an easy and safe route for cabling.

The MobileRange has been used successfully at such well known locations and events as:

- Nike Golf Demonstration—The Open—Royal Troon
- Gleneagles Hotel for the G8 Summit
- The “Duke’s Course”, St. Andrews
- Marriott Hollins Hall Hotel and Country Club, Yorkshire
